

11. A Two-Minute Gospel

Can you explain the Gospel in two minutes? If you can't, you probably can't in 22 minutes either. I'm going to show you how to do it... and point you to a free resource that will give you all the details. So ... here's the two minute Gospel.

There's a problem ... and ... there's a solution.

Here's the problem. God is Holy and we are not. We have all sinned ... we all fall short, are guilty, judged, and separated from God.

And here's the two-part solution.

The first part is what God did about our problem, our separation from Him. God loves us and sent Jesus to

die for us ... to pay for our sins, to take our punishment, and to conquer death for us ... proven by His resurrection. The second part of the solution is what we need to do about our problem ... about our sin-caused separation from God. We must *believe in* the Lord Jesus Christ. We must put our faith in Him ... receive Him as our Savior. That's our part of the solution. Salvation is by grace through faith and not from our good works. When we believe in Jesus, we are forgiven and spiritually born-again as children of God. At that point we receive the free gift of eternal life. If you want to be sure that you are right with God, do your part by sincerely praying:

Dear God,

I admit that I am a sinner. I repent of my sins and turn to you.

I believe that Jesus, being God, died on the cross to pay for my sins.

I believe in Jesus ... I invite Him to be my savior.

Amen
