

## *16. Witnessing Resources*

This video is different from previous NotJustMilk videos. In the previous ones, I've been talking to you about the Gospel, about seeing the lost, loving the lost, seeking the lost, and talking with the lost people in your life. In this video I'm going to point you to some very useful (and free) online resources to help you in your personal witnessing.

First let me warn you about [NotJustMilk.org](http://NotJustMilk.org). The 2-minute videos on NotJustMilk are useful for your own growth as a believer and a disciple ... but not intended for non-believers ... not for Skeptics and not for Seekers.

[JustAQuestion.org](http://JustAQuestion.org) ... This site has different goals than NotJustMilk. Its 10-minute videos are for

believers and non-believers. Its goals are to encourage Skeptics to be Seekers ... to persuade Seekers to be Believers ... and to exhort Believers to be Disciples. Be sure to watch any of its videos before recommending it to a friend who needs Christ.

[911God.org](http://911God.org) ... This Gospel presentation and invitation site includes a 22 minute Gospel video, an online text version, a printable PDF version, and a one-page Gospel. Study this site, point a non-believing friend to it, or watch the video with that friend. Its Gospel presentation is non-believer safe, convincing, logical, non-pressured, and proven. Short form apologetics in text form are on this site as well.

[eSeeker.org](http://eSeeker.org) ... This site has longer answers to some of the big questions about God, life, and the Bible. It is ideal for believers and non-believers.
